

Drake, Falling Back

Oh, yeah

Ayy, yuh

Ayy, ayy

Oh

Finding myself, showing myself

Finding a way to stay outta the way

Holding me back, supposed to come right back

Guardin' myself while I'm all on display

I know you know all about it

I know, deep down, you feel the same

I know you know how I feel

I know you know how I feel

How do I

How do I feel? How do I feel?

How do you say to my face, "Time heals"?

Then go and leave me again, unreal

I see us fadin' away, I'm still

Holdin' my breath for the day that you will

See that the effort I make is too real

How can you say that you know how I feel?

Ayy, wee

How can you say you know what I'm feeling? Wait

Know what I'm feeling, wait, you don't feel nothing, wait

Nothing is healing, wait, time is just killing, wait

How can you say, wait, you know what I'm feeling, wait

You know what I'm feeling, wait, you don't feel nothing, wait

Time isn't healing, wait, time is revealing, wait

How are you feeling? Wait, you don't feel nothing

Me

Me

Just like I expected

Falling back on me

Falling back, if I

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

Falling back on me

What would you do without me?

What would you do without me?

I think you would lose everything

Fallin' back on me

Well, hear wah, you don't test
