

Drake, Girls Love Beyonce (ft. James Fauntleroy)

[Drake:]

Look

I know girls love Beyoncé

Girls love to fuck with your conscience

Girls hate when niggas go missing and shawty you ain't no different

These days it's hard to meet women

Feel like my love life is finished

I've been avoiding commitment

That's why I'm in this position

I'm scared to let somebody in on this

No new friends, no no no no

You know how this shit go

You got your fair share of admirers that call your phone

You try to act like it's just me, but I'm not alone

But if you're alone then, say my name, say my name

[James Fauntleroy:]

Say my name, say my name

When no one is around you

Say, "Baby, I love you"

If you ain't running games

Say my name, say my name

You actin' kinda shady, baby

Why the sudden change?

Say my name

Say my name

Say my name

Say my name, say my name

If no one is around you

[Drake:]

Yeah, Uh

Say my name, say my name

'Cause those other men are practice

And this ain't no time for actin'

And this ain't no time for games

And this ain't no time for uncertainty

And this ain't no time for locking your phone and not coming home and startin' some shit when I'm

This is why I've been saying

No new friends, no no no

You know how this shit goes

This is not four years ago

Time escapes me

Now I forget how when this shit move slow

I come through in whips that make a young boy take the long way home

All my young boys 'round me saying, "Get money and fuck these hoes"

Where we learn these values? I do not know what to tell you

I'm just trying to find a reason not to go out every evening

I need someone that'll help me think of someone besides myself

I need someone I leave through the front door with

'Cause we don't wanna hide no more

'Cause you're not shy no more

Neither one of us wanna play the side no more

No, I'm not alone

Even though nothing was the same

Let me get your ass alone

Let me make you say my name

Say my name

[James Fauntleroy:]

Say my name, say my name

When no one is around you

Say, "Baby, I love you"

If you ain't running games

Say my name, say my name
You actin' kinda shady, baby
Why the sudden change?
Say my name
Say my name
Say my name
Say my name, say my name
If no one is around you
