Drake, Hold On, We're Going Home (feat. Majid)

I got my eyes on you You're everything that I see I want your hot love and emotion Endlessly, I can't get over you You left your mark on me I want your hot love and emotion endlessly

Cause you're a good girl and you know it You act so different around me Cause you're a good girl and you know it I know exactly who you could be Just hold on we're going home Just hold on we're going home It's hard to do these things alone Just hold on we're going home

I got my eyes on you You're everything that I see I want your hot love and emotion Endlessly, I can't get over you You left your mark on me I want your hot love and emotion endlessly

Cause you're a good girl and you know it You act so different around me Cause you're a good girl and you know it I know exactly who you could be Just hold on we're going home Just hold on we're going home It's hard to do these things alone Just hold on we're going home

You're the girl You're the one Gave you everything I love I think there's something, baby I think there's something, baby

You're the girl You're the one Gave you everything I love I think there's something, baby I think there's something, baby

Cause you're a good girl and you know it You act so different around me Cause you're a good girl and you know it I know exactly who you could be Just hold on we're going home Just hold on we're going home It's hard to do these things alone Just hold on we're going home
