Dua Lipa, Be The One

I see the moon
I see the moon
I see the moon
Oh when you're looking at the Sun

You're not a fool Not a fool Not a fool No you're not fooling anyone

Oh but when you're gone When you're gone When you're gone Oh baby, all the lights go out

Thinking now that maybe I was wrong I was wrong I was wrong Come back to me, baby, we can work this out

Oh baby come on, let me get to know you Just another chance so that I can show That I won't let you down, and run No I won't let you down, and run

Cos I could be the one I could be the one I could be the one I could be the one

I see in blue
I see in blue
I see in blue
Oh and you see everything in red

There is nothing that I wouldn't do for you Do for you Do for you Oh cos you got inside my head

Oh but when you're gone When you're gone When you're gone Oh baby, all the lights go out

Thinking now that, maybe, I was wrong I was wrong I was wrong Come back to me, baby, we can work this out

Oh baby come on, let me get to know you Just another chance so that I can show That I won't let you down, and run No I won't let you down, and run

Cos I could be the one I could be the one I could be the one I could be the one

Be The One x28

Oh baby come on, let me get to know you Just another chance so that I can show

That I won't let you down, oh no No I won't let you down, oh no

Cos I could be the one I could be the one I could be the one I could be the one
