

Dua Lipa, End Of An Era

Dua Lipa prezentuje piosenkę "End Of An Era" z płyty "Radical Optimism" (premiera 3 maja 2024 r.)

One, two, three
Hey!

What's it about a kiss
That makes me feel like this?
Makes me an optimist, I guess
I always jump too quick
Hoping this one might stick
Hopelessly romantic
Then you said hey and I said hey
What's your name?
Come with me

'Cause when I see your face (Ah)

The sweetest pleasure
I feel like we're gonna be together
This could be the end of an era
Who knows, baby, this could be forever, forever

No more, you're not my type
No more, at least I tried
Done with the lonely nights, I guess
One chapter might be done
God knows I had some fun
New one has just begun
You said hey and I said hey
What's your name?
Come with me

'Cause when I see your face (Ah)

The sweetest pleasure
I feel like we're gonna be together
This could be the end of an era
Who knows, baby, this could be forever, forever

In the clouds, there she goes
Butterflies, let them flow
Another girl falls in love
Another girl leaves the club
Send a big kiss goodbye
To all of the pretty eyes
Another girl falls in love
Another girl leaves the club

I've lost all my senses
Lalalala, lalalalala
Is this my happy ending?
Lalalala, lalalalala
Here she goes again

The sweetest pleasure
I feel like we're gonna be together
This could be the end of an era
Who knows, baby, this could be forever and ever

In the clouds, there she goes
Butterflies, let them flow
Another girl falls in love
Another girl leaves the club
Send a big kiss goodbye

To all of the pretty eyes
Another girl falls in love
Another girl leaves the club
