

Dua Lipa, Hotter Than Hell

He calls me the devil
I make him wanna sin
Ever time I knock
He can't help but let me in
Must be homesick for the real
I'm the realest it gets
You probably still adore me
With my hands around your neck

Can you feel that warmth?
As my kiss goes down
You like, same sweat alcohol
Where I'm coming from
It's darker side of me that makes you feel so numb

Coz we're hot like hell
Does it burn when I'm not there?
When you've be yourself
Am I the answer to your prayers
I'm giving you that pleasure heaven
And I'll give it to you

Hotter than hell /2x

You're my manna from heaven
We all gotta get fed
Can let me know I'm wanted
Can let me in your head
I'm not here to make you kneel
But it's praise that I'll get
You ain't gonna walk free boy
Not finished with you yet, no!

Can you feel that warmth?
As my kiss goes down
You like, same sweat alcohol
Where I'm coming from
It's darker side of me that makes you feel so numb

Coz we're hot like hell
Does it burn when I'm not there?
When you've be yourself
Am I the answer to your prayers
I'm giving you that pleasure heaven
And I'll give it to you

Hotter than hell /2x

When we go down right there
You make me feel right there
When you lay me down right there
Coz you're looking so right there
Baby, you should touch me right there
You can take me right there
We can make it
Hot like hell
Does it burn when I'm not there?
When you're by yourself
Am I the answer to your prayers
I'm giving you that pleasure heaven
And I'll give it to you

Hotter than hell /4x
And I'll give it to you

Hotter than hell
