Dua Lipa, New Rules

One, one, one...

Talkin' in my sleep at night Makin' myself crazy (Out of my mind, out of my mind) Wrote it down and read it out Hopin' it would save me (Too many times, too many times) My love, he makes me feel like nobody else Nobody else But my love, he doesn't love me So I tell myself, I tell myself

One, don't pick up the phone You know he's only calling 'cause he's drunk and alone Two, don't let him in You have to kick him out again Three, don't be his friend You know you're gonna wake up in his bed in the morning And if you're under him, you ain't getting over him

I've got new rules, I count 'em I've got new rules, I count 'em I've gotta tell them to myself I've got new rules, I count 'em I've gotta tell them to myself

I keep pushin' forwards But he keeps pullin' me backwards (Nowhere to turn, no way) (Nowhere to turn, no) Now I'm standing back from it I finally see the pattern (I never learn, I never learn) But my love, he never loves me So I tell myself, I tell myself I do, I do, I do

One, don't pick up the phone You know he's only calling 'cause he's drunk and alone Two, don't let him in You have to kick him out again Three, don't be his friend You know you're gonna wake up in his bed in the morning And if you're under him, you ain't getting over him

I've got new rules, I count 'em I've got new rules, I count 'em I've gotta tell them to myself I've got new rules, I count 'em I've gotta tell them to myself

Practice makes perfect I'm still tryna' learn it by heart (I got new rules, I count 'em) Eat, sleep, and breathe it Rehearse and repeat it, 'cause I (I got new, I got new, I...)

One, don't pick up the phone You know he's only calling 'cause he's drunk and alone Two, don't let him in You have to kick him out again Three, don't be his friend You know you're gonna wake up in his bed in the morning And if you're under him, you ain't getting over him

I've got new rules, I count 'em I've got new rules, I count 'em (Oh, whoa-oh) I've gotta tell them to myself I've got new rules, I count 'em (Baby, you know I count 'em) I've gotta tell them to myself

Don't let him in, don't let him in Don't, don't, don't, don't Don't be his friend, don't be his friend Don't, don't, don't, don't Don't let him in, don't let him in Don't, don't, don't, don't Don't be his friend, don't be his friend Don't, don't, don't, don't You gettin' over him
