

Dua Lipa, These Walls

Dua Lipa prezentuje piosenkę "These Walls" z płyty "Radical Optimism" (premiera 3 maja 2024 r.).

Maybe we should switch careers
'Cause, baby, you know no one beats our poker faces
And when the night ends up in tears
Wake up and we blame it all on being wasted

Oh, this love is fading
So much we're not saying

But if these walls could talk
They'd say
"Enough!"
They'd say
"Give up"
If these walls could talk
They'd say
"You know..."
They'd say
"...you're fucked"
It's not supposed to hurt this much
Oh, if these walls could talk
They'd tell us to break up
These walls, these walls, these walls
They'd tell us to break up
These walls, these walls, these walls, these walls

They tell us, "Go and face your fears"
It's getting worse the longer that we stay together
We call it love but hate it here
Did we really mean it when we said "forever"?

Oh, this love is fading
So much we're not saying

But if these walls could talk
They'd say
"Enough!"
They'd say
"Give up" (I know)
If these walls could talk
They'd say
"You know..."
They'd say
"...you're fucked"
It's not supposed to hurt this much
Oh, if these walls could talk
They'd tell us to break up
These walls, these walls, these walls
They'd tell us to break up
These walls, these walls, these walls
They'd tell us to break up

You don't wanna go
Don't wanna stop
Heaven knows I
Don't wanna be the one to cut it off

But if these walls could talk
They'd say
"Enough!"
They'd say
"Give up" (Give it up, give it up, give it up)
If these walls could talk

They'd say
"You know..."
They'd say
"...you're fucked" (Yeah, you know, yeah, you know you're fucked)
It's not supposed to hurt this much
Oh, if these walls could talk
They'd tell us to break up
These walls, these walls, these walls
They'd tell us to break up
These walls, these walls, they'd tell us break up
