

Duff McKagan, Song For Beverly

Why do you have to be so hateful?
Why do you have to be so sad?
Is it because you grew up too fast?
Did someone break your heart up bad?

(chorus)

You are so beautiful, you are it's true
What ever happened to you lately?
Did you go off with the painted man?
Do you wonder who's your mother?
Don't let your baby guess who's you

(chorus 2)

you are

it's you

You are so beautiful, you are it's true
You are so beautiful, you are it's true
