

Eagles Of Death Metal, I Love You All the Time

I love you all the time

I'm never alone, I look at my phone
If I call you up, you're never at home

I love you all the time

I'm fueled up and high, I'm out with the guys
A smile on my face, no reason to cry

I love you all the time

I can tell by that look in your eye
You're looking and all you see is another guy
I can tell you're gonna take your love away

I can tell by that look in your eye
You're looking and all you see is another guy
I would beg you if I thought it would make you stay

[Francuski]

I love you all the time

I can tell by that look in your eye
You're looking and all you see is another guy
I can tell you're gonna take your love away

I can tell by that look in your eye
You're looking and all you see is another guy
I would beg if I thought it would make you stay /3x
