

# Eagles Of Death Metal, Miss Alissa

You know I try so hard  
But I think you don't see  
Cos' I'm moving so fast  
We call it rock n rollin'  
My weapon seems usless  
Cos' your on to me  
You are impossible to read  
You're always straight controllin'

Oh oh oh Miss Allisa!

Gon doo a voodoo until  
You feel my power now!  
You know I feel so smooth  
I'm always struttin' when in motion  
Make the little girls dance  
Cos' i'm rock n rollin'  
It really doesn't matter  
If you're hard to please  
Cos' when you give me your smile  
I'm yours for straiht controllin'

(repeat furst verse and then chorus)
