

# Eagles, Twenty-One

Twenty-one and strong as I can be  
I know what freedom means to me  
And I can't give the reason why  
I should ever want to die  
Got no cause to be afraid  
Or fear that life will ever fade  
'Cause as I watch the rising sun  
I know that we have just begun

I might spend my life upon the road  
Just tryin' to add to what I know  
Then someday I might settle down  
And all my friends will be around

They say a man should have a stock and trade  
But me, I'll find another way  
I believe in getting what you can  
And there ain't no stoppin' this young man

Because I'm you and fast as I can be  
I know what freedom means to me  
And I can't give the reason why,  
I should ever want to die  
No I can't give the reason why  
I should ever want to die
