

Earth, Wind And Fire, Make It With You

D. Gates

We can make it
We can make it

Hey have you ever tried
Really reachin' out for the other side
I may be climbin' on a rainbow
But baby here it goes

Dreams are for those who sleep
Life is for us to keep
If you're wonderin' what this all is leadin' to
Hey I'd like to make it with ya
I really think that we can make it, babe

No, you don't know me well
And every little thing only time will tell
If you do the things that I do
oo we'll see it through

Life can be right or wrong
And if I had to choose just one to see it through
Hey, I'd like to make it with ya
I really think that we can make it, babe
