## Earth Wind And Fire, Yearnin' Learnin'

Once upon a time, a child was born With a light, to carry on, Didn't know what he had to be, had a feelin' He was bound to see

So the streets, he fled to shine In a world of a different kind As he yearn, so he learn

Stop! Look what's behind you Fame and love gonna find you We're just here to remind you Yearn and learn is what you do

He just felt so, good inside Watchin' people come alive Throbbin' rhythm and it stirs your soul Melodies of joy unfold

Gives your heart such a special treat Clap your hands, stomp your feet As we yearn, so we learn Yeah, yeah, yeah, yeah

Stop! Look what's behind you Fame and love gonna find you We're just here to remind you Yearn and learn is what you do

Yeah, yeah, yeah Stop! Look what's behind you Fame and love gonna find you We're just here to remind you Yearn and learn is what you do
