Earth, Wind & Fire, Evolution Orange

Maurice White, David Foster & amp; Nan O'Byrne

Seeing Seeing is believing It's the greates feeling Knowing in your heart

Just trust yourself Look ahead Feel the motion growing Love is where it's going This is where our real journey starts

Down through the years Throughout the stars Ancient the dream Future evolves

Shining light Now in sight Evolution Orange Wondrous flight Now in sight Evolution Orange

Patience The healer and the giver

Patience will deliver Fire from the spark

Just trust yourself Reach inside Have no hesitation Give no explanation You know who you are

Down through the years Throughout the stars Ancient the dream Future evolves

Shining light Now in sight Evolution Orange

Wondrous flight Now in sight Evolution Orange
