

Earth, Wind & Fire, Keep You Head To The Sky

Words and Music by Maurice White

Master told me one day
I'd find peace in every way
But in search for the clue
Wrong things I was bound to do

Keep my head to the sky
For the clouds to tell me why
As I grew, and with strength
Master kept me as I repent
And he said

Keep your head to the sky
Keep your head to the sky

He gave me the will to be free
Purpose to live His reality
Hey, and I found myself never alone
Chances came to make me strong

To step right up and be a man
'Cause you need faith to understand
So we're saying for you to hear
Keep your head in faith's atmosphere

Keep your head to the sky
So the clouds
Keep your head to the sky
So they can tell you why, Lord
Keep your head to the sky
Surely, the clouds are gonna tell you why

Gave me the will to be free
Purpose to live His reality
Ooo, And I found myself never alone
'Cause chances came, they came to make me strong

Hey, to step right up and be a man
Ooo, you need faith to understand
So we're just saying for you to hear
Keep your head in faith's atmosphere

Keep your head to the sky
Keep your head to the sky
Don't walk around with your head hung down
Keep your head to the sky
Keep your head to the sky
Surely, surely the coulds are gonna tell you why

Keep your head to the sky
Keep your head to the sky
Keep your head to the sky
