

# Earth, Wind & Fire, Mom

Maurice White & Verdine White

Mom, the words of love  
She gave me peace and love  
She gave me thoughts of love  
Yeah yeah yeah  
Mom, pains and joy  
I love her more and more  
To her I'm still her boy  
Yeah yeah yeah  
And in my life I've always dug her  
And in my life I've always needed her  
The mom I know I love so well

Mom, her face is still the same  
She never seems to change  
Her love still remains  
Mom, the love she gave I love  
She taught me right from wrong  
She shared and kept me strong  
Yeah yeah yeah  
Mom...mom...mom
