Earthlings?, Visionary Messenger

True bowl man do true rhyme(?)
is there time to save ourselves?
she go to mat, doing time
what will attack with stealth?
one more time in this
get real dangerous.

Conscious completes her love
touch yourself in well
with a mind, intelligent
you know that we are square
this is our future, love, the angels do foresee
but it has not happened yet, though it will eventually

we must sunder technology
we will all be heroes!
