

Echo And The Bunnymen, Happy Death Men

Happy death men stand in line
Happy death men
Happy death men polish and shine
Happy death men

Happy death men
The last breath man
Happy death men
Take them to your heart

Happy death men
No regret men Happy death men
Like to keep things dark

Happy death men stand in lines

Happy death men polish and shine
Happy death men

Happy death men
The last breath men
Happy death men
Take them to your heart

Happy death men
No regret men
Happy death men
Like to keep things dark
