

# Echo & The Bunnymen, Evergreen

There's no more wishes in the well  
No more dreams to sell  
No time in the hourglass  
There's no more lies for you to tell  
Your heaven is your hell  
You future dying in the past

Evergreen  
Ever, ever, evergreen  
Evergreen  
Ah, ah, ah  
Ah, ah, ah

I know I'm never going to learn  
Fingers fit to burn  
You can't let the fire die  
Keep the flame of your desire  
Always rising higher  
Aim for the stars and hit the sky

Evergreen  
Ever, ever, evergreen  
Evergreen  
Ah, ah, ah  
Ah, ah, ah

There's no more wishes in the well  
No more dreams to sell  
No time in the hourglass  
There's no more lies for you to tell  
Your heaven is your hell  
You future dying in the past
