

# Echo & The Bunnymen, Read It In Books

You said you couldn't find anyone  
To love you  
I said there's more to life than a broken heart  
Did it console you?

I've seen in your eyes  
I've read it in books  
Who wants love  
Without the looks

You know the words  
Please do say it from your knees  
Show some respect  
Hey baby, genuflect  
Once I like crying  
Twice I like laughter  
Come on tell me what I'm after

I said you've gotta stop chasing rainbows  
You said I'm just staying up  
And anyway  
I like it when the rain goes

I've seen in your eyes  
I've read it in books  
Who want's love  
Without the looks

Once I like crying  
Twice I like laughter  
Come on tell me what I'm after

There's not that much to us  
I hide the little with a lot  
You still expect a lovely fuss  
After showing all you've got

I've seen in your eyes  
I've read it in books  
Who wants love  
Without the looks  
That's all
