Economical, Free love

If you've been hiding from love
I can understand where you're coming from
I can understand where you're runing grom
If you've suffed enough
I can understand what you're thinking of
I can see the pain that you're frightened of
And I'm only here
To bring you free love
Let's make it clear
That this is free love
No hidden catch
No strngs attached
Just free love
