

Ed Sheeran, A Beautiful Game (from Ted Lasso)

Though we've not reached the end
We should take some time apart
Leave here with no regrets
Knowing we gave our all
Oh, I cannot pretend
That this won't break our hearts
But we will meet again

I know the art is tall
But we could be so much more

Out of the ambers, we'll rise from the ashes
And write in the stars with our names
That we are here, we are bruised, we are damaged
But the joy was worth the pain
Whoa-oh-oh, life's a beautiful game

Oh, what a state we're in
But the war is far from won
Yeah, we did everything
Anyone could have done
We'll pick the pieces up
Put it together with prayer and hope it works
They say it's in the blood

And I know the art is told
But we could be so much more

Whoa-oh-oh, out of the ambers, we'll rise from the ashes
And write in the stars with our names
Whoa-oh-oh, that we are here, we are bruised, we are damaged
But the joy was worth the pain
Whoa-oh-oh, life's a beautiful game

Whoa-oh-oh
Whoa-oh-oh, a beautiful game
Whoa-oh-oh
Whoa-oh-oh, a beautiful game (It's just a beautiful game)
Whoa-oh-oh
Whoa-oh-oh, a beautiful game (It's just a beautiful game)
Whoa-oh-oh
Whoa-oh-oh, a beautiful game

Out of the ambers, we'll rise from the ashes
And write in the stars with our names
But we are here, we are bruised, we are damaged
But the joy was worth the pain
Whoa-oh-oh, life's a beautiful game
