Ed Sheeran, How Would You Feel (Paean)

You're the One, girl And you know that it's true

I'm feeling younger Every time that I'm alone with you

We're sitting in a parked car Stealing kisses in a front yard We got question, we shouldn't ask But

How would you feel
If I told you I loved you
It's just something that I want to do
I'll be taking my time
Spending my life falling deeper in love with you
So, tell me that you love me too!

In the summer as the lilacs bloom Blood flows deeper than a river Every moment that I spend with you

We're sat upon our best friend's roof I had both of my arms around you Watching the sunrise replace the Moon But

How would you feel
If I told you I loved you
It's just something that I want to do
I'll be taking my time
Spending my life falling deeper in love with you
So, tell me that you love me too!

We're sitting in a parked car Stealing kisses in a front yard We got question, we shouldn't ask But

How would you feel
If I told you I loved you
It's just something that I want to do
I'm be taking my time
Spending my life falling deeper in love with you
Tell me that you love me too!
Tell me that you love me too!
Tell me that you love me too!
