

Ed Sheeran, Life Goes On

Utwór 'Life Goes On' z albumu 'Subtract' od Ed Sheeran (premiera 5 maja 2023r.)

It hit like a dream, I ran out of words
I got nothing to say, everything hurts
And I know love needs the pain
Memories serve our sweetest refrain

The waves came tumbling down
As you float away
Reaching for ya

So tell me how
How our life goes on with you gone
I suppose I sink like a stone
If you leave me now
All the stumps will roll
Easy come, hard go
Then life goes on

But I miss the things that needed reason
Oh, I remember the way that you've looked at me first
And all the heart that you changed
But you'll never know just like tears in the rain
Mm, mm, mm

The constant grey in the clouds
When I hear your name
I think of love

So tell me how
How our life goes on with you gone
I suppose I sink like a stone
If you leave me now
All the stumps will roll
Easy come, hard go
Then life goes on

Ah, yeah
Life goes on
Ah, yeah

I watched the sun setting down
I am so afraid
I need you now

So tell me how
How our life goes on with you gone
I suppose I sink like a stone
If you leave me now
All the stumps will roll
Easy come, hard go
Then life goes on
