

Ed Sheeran, Shivers

I thick an arrow to the heart
I've never kiss the lips like yours
Strawberry ease and something more
Yeah, i wanna it all

lipstick on my gitar
feel like an angels
who can drive to far
going dancing underneath the stars
Yeah, i wanna it all
you got me feeling like

I wanna be that guy
I wanna kiss your eyes
I wanna drink that smile
I wanna feel like high
Our souls on fire
I wanna stay all day
And all night
Yeah you got me singing like

I love it when you do it like that
And when you're close up
Give me the shivers
Oh baby you wanna dance 'til the sunlight cracks
And when they say the party's over then we'll bring it right back
And we'll say:
Ooh, I love it when you do it like that
And when you're close up
Give me the shivers
Oh baby you wanna dance 'til the sunlight cracks
And when they say the party's over then we'll bring it right back

in to the car
on the backsit and the moolight dark
wrap mi up between the legs and arms
i can get it enough

yoiu know you ...my a heart
,. Back together
And thke my heart
I have never thought love is heard
i can get it enough

I wanna be that guy
I wanna kiss your eyes
I wanna drink that smile
I wanna feel like high
Our souls on fire
I wanna stay all day
And all night
Yeah you got me singing like

I love it when you do it like that
And when you're close up
Give me the shivers
Oh baby you wanna dance 'til the sunlight cracks
And when they say the party's over then we'll bring it right back
And we'll say:
Ooh, I love it when you do it like that
And when you're close up
Give me the shivers
Oh baby you wanna dance 'til the sunlight cracks
And when they say the party's over then we'll bring it right back

with the fire you've got

baby you are so hot
you make me shivers
with the fire you've got
