

# Ed Sheeran, The Joker and the Queen (feat. Taylor Swift)

How was I to know?  
It's a crazy thing  
I showed you my hand  
And you still let me win  
And who was I to say  
That this was meant to be?  
The road that was broken  
Brought us together  
And I know you could fall for a thousand kings  
And hearts that would give you a diamond ring  
When I fold, you see the best in me  
The joker and the queen  
I was upside down  
From the outside in  
You came to the table  
And you went all in  
With a single word  
And a gentle touch  
You turned a moment  
Into forever  
And I know you could fall for a thousand kings  
And hearts that could give you a diamond ring  
When I fold, you see the best in me  
The joker and the queen  
And I know you could fall for a thousand kings  
And hearts that would give you a diamond ring  
When I folded, you saw the best in me  
The joker and the queen  
The joker and the queen
