

# Eddy Arnold, As Long As I Love

As long as I love I will love you  
As long as the stars may shine above you  
You can be sure my heart will be true for as long as I love

As long as the waves touch the seashore  
You'll be the one I will live for  
There'll never be one I could love more for as long as I love

In this world of changing times I'm so glad to say that I'm  
Unchangeably in love with you  
In this world of doubt and fear I feel nothing when you're near  
Cause I know that you love me too

As long as the dream stirs the willows  
As long as the dew falls on the meadows  
My heart is yours and it will be so for as long as I love  
As long as I love
