

# Eddy Arnold, Taking A Chance On Love

Here I go again I hear those trumpets blow again  
All aglow again taking a chance on love  
Here I slide again about to take that ride again  
Starry eyed again taking a chance on love

I thought that cards were a frame up I never would try  
But now I'm taking the game up and the ace of hearts is high  
Things are mending now I see a rainbow blending now  
We'll have a happy ending now taking a chance on love

(Here he comes again) I'm gonna make things hum again  
Acting numb again taking a chance on love  
(Now and then he stands again) about the beat of band again  
Feeling grand again taking a chance on love

I never dreamed in my sombres and that's where to prove  
But now I'm playing the numbers on a little dream for two  
Waiting in again I'm leaving with my chin again  
I'm finding out to win again taking a chance on love  
We'll have a happy ending now taking a chance on love  
Taking a chance on love taking a chance on love
