

# Eden's Bridge, Love, Love, Love

Catherine wheels, fairy tales, fireside stories  
Picture scenes long ago  
Sunshine, warmth and laughter  
Bring it back, that lost feeling from long ago  
Bring it back, how I miss it, please make it so

Love, love, love, make the story  
Love, love, love, happen for me  
Love, love, love, make it real for me  
I lost my heart along the way  
Love, love, love, a new beginning  
Love, Love, love, here inside me  
Love, love, love, I need You to show me how  
To love

Garden toys, playground names  
Memories of childhood  
Grandmas voice, Grandpas games  
Yesterdays were happy
