

# Edward, Lucifer

The Brightest light in the sky  
You're the brightest light in my life  
You're the magic I see all around  
You're my last breath help in the dead man down

Lucifer Light  
I see you're beautifull  
Make me sing  
I want to have all you got  
I want it everything  
I want to take  
you  
all of you into me  
and make you free in space  
I can feel  
I feel the magic  
The Power  
and I can see your Magic  
working in me  
Yea  
I need you so  
Yea  
I won't let go

I need your magic in me  
Of the beast running wild and free in my mind  
Give me the Night and day  
The breath that make me wild and free  
Reigh on  
Reign on me  
and let this people be Roaming free of this  
of this Christian bullshit  
Christian regiem  
with all thier religion and faith try to take the man out of

I'm not afraid what!  
or ashamed to be just me  
It anit no sin  
to run free and think free  
It aint now sin to be me  
I want the light of the star in my eyes  
fly through space eternal  
I want to be like you my friend who can see his desigh  
its his time  
can't let go  
the wild I feel in my soul  
the beast I feel in my soul  
the wild  
I'm wild!!!!!!!!!!!!!!  
and free!
