

# Eelke Kleijn, Mistakes I've Made

Gonna live my life  
I can't never leave  
Gonna learn to love  
Find out what love is

Only hell knows if heaven exist  
Who knows if it's better than this?!  
Pray I'd never learn from mistakes that I've made!

There's no future there's no past  
Beating hearts are all we have  
Getting stronger break by break  
From all of these mistakes I've made  
Mistakes I've made  
What path remain  
Mistakes I've, mistakes I've made

Gonna feed my soul  
Hoping never rests  
Tell 'em we are young  
We're not wise  
We're just cruel  
Loving fools looking for Paradise

Only hell knows if heaven exist  
Who knows if it's better than this?!  
Pray I'd never learn from mistakes that I've made!

There's no future there's no past  
Beating hearts are all we have  
Getting stronger break by break  
From all of these mistakes I've made  
Mistakes I've made  
What path remain,  
Mistakes I've, mistakes I've made
