

# Eighteen Visions, Sonic Death Monkey

Red lights gleaming screaming.  
You entice this time.  
Can't you see I'm teething?  
Bleeding from inside.  
For you I will not lust.  
For you I will not bust.  
Which way should I go?  
Or should I know.  
I can't take it back.  
I don't want it back.  
For you I will not lust for you I will not bust.  
So lay me down.  
So I can find my peace now.  
So lay me down.  
Let me be at ease this time.  
So lay me down.  
Can't stop the way I feel this time this cancer's eating me inside.  
Can't stop the way I feel this time this cancer's eating me alive.  
For now I'll weep and wallow.  
Cos inside I feel so hollow.  
Make me out.  
Take me out.  
Make me out.  
To be the one.
