

# Eisley, Marvelous Things

I awoke the dawn  
Saw horses growing out the lawn  
Ah ah .....

I glimpsed a bat with butterfly wings  
Oh what marvelous things  
Ah ah....

Dark night...hold tight, and sleep tight  
My baby  
Morning light...shall burst bright  
And keep us here safely

I followed a rabbit  
Through rows of mermaid entwined Shrubbery  
Ah ah....  
Oh what marvelous things but, they are, they are, they are  
Giving me the creeps

Dark night...hold tight, and sleep tight  
My baby  
Morning light...shall burst bright  
And keep us here safely

Oh...lying in the sun  
Everday feeling all of the magic in life  
You might find the wonder.....

Dark night...hold tight, and sleep tight  
My baby  
Morning light...shall burst bright  
And keep us here safely  
Morning light...shall burst bright  
And keep us here safely  
Ah ah.....
