

# Ekotren, Death Blanket

Reaching out.  
But no ones ever reaching back.  
You tell me.  
Your life is so hard and you got it bad.  
You don't now shit about this life.  
What its like to be frustrated.  
Scraping just to get by.  
Hold it inside.  
Buried inside my mind.  
Am I the only one.  
Who wants to go down alone inside.  
Theres nothing you could have done for me.  
So tell my friends when I'm gone.  
Don't ever shed a tear.  
I was never happy here.  
I'm better off all on my own.  
Nooses or needles.  
It doesn't matter.  
What ever gets the job done faster..  
Just light the bullet on fire.  
Lock it.  
Load it.  
I'll show you I'm not a liar.  
Theres reasons that people like me can't come out.  
Say what I need to without being singled out.  
Hold it inside.  
Buried inside my mind.  
Am I the only one.  
Who wants to go down alone inside.  
Theres nothing you could have done for me.  
So tell my friends when I'm gone.  
Don't ever shed a tear.  
I was never happy here.  
I'm better off all on my own.  
Better off alone.  
(You can't help me)  
Better off alone.  
(You can't help me)  
Theres nothing you could have done.  
You can't help me.  
Was there something you could have done?  
Don't try and help me.  
Am I the only one.  
Who wants to go down alone inside.  
Theres nothing you could have done for me.  
So tell my friends when I'm gone.  
Don't ever shed a tear.  
I was never happy here.  
I'm better off all on my own.
