## Elbow, Don't Mix Your Drinks

Don't mix your drinks
Don't mix with him
It will kill you one day
Good advice, sound advice
Why can't you be
Like him, like me
Look what you could achieve

I'm coming cap in hand Begging you to listen Something draws me in And I just can't christen it Just can't christen it

Don't mix your drinks Don't mix with him It will kill you one day Good advice, sound advice You need to be Like this, like me Look what you could achieve

I'm coming cap in hand Begging you to listen Something draws me in And I just can't christen it Just can't christen it
