

# Eldritch, Tasting the Tears

I've got nothing to say  
Nothing to lose  
I'm searching for my role  
You seem outta my reach  
Inside my world you are living  
Inside my mind I was believing  
This sentimental exposure  
Turned out to be more than a torture?  
I'VE ALWAYS HOPED LIFE COULD BE EASIER  
BUT NOTHING REALLY TURNED OUT  
AND IN MY WOUNDS THE KNIFE'S GETTING DEEPER  
TASTING ALL MY TEARS NOW..  
Every time that I see  
You walking my way  
I feel like paralyzed  
No more able to speak  
Inside my world you are living  
Inside my mind I was believing  
This sentimental exposure  
Turned out to be more than a torture?  
I'VE ALWAYS HOPED LIFE COULD BE EASIER  
BUT NOTHING REALLY TURNED OUT  
AND IN MY WOUNDS THE KNIFE'S GETTING DEEPER  
TASTING ALL MY TEARS NOW..
