

Electric Light Orchestra, 10538 Overture

Did you see your friend crying from his eyes today

Did you see him run through the streets and far away

Aah

Did you see him run, did you see him fall

Did his life flash by at the bedroom door

Did you hear the news it came across the air today

Someone has been found on the rocks down in the bay

Ahhh

Did you see him hide, did you see him crawl

Does his life mean more than it did before

Did you see that man running through the streets today

Did you catch his face, was it 10538

Ahhhh
