## Electric Light Orchestra, Big Wheels

I've been thinking it over So many times they say You got it made They never understand The answer lies within your soul 'Cos no one know which side The coin will fall.

Big wheels turning Baby I know Big wheels turning Baby I know Big wheels turning, turning...

Save it for a rainy day
For when the cold wind blows
Just to see how they run
I thought they'd know
I tried my best, all I could do
But somehow it was not enough for you.

Big wheels turning Baby I know Big wheels turning Baby I know Big wheels turning, turning, Turning, turning...

## **CHORUS:**

I remember the dead of night
A lonely light that shines upon the window
I see it all so clear
The tenderness, the silent tears
Out here in the pouring rain
Through cold dark waiting days
I see you standing there
I see the big wheels turning
Never ending, on and on they go.

I think I'm going home
I think I'm gonna have to start again
It's rather sad
Because I've looked around, can't seem to find
Whatever's always rolling through my mind

Big wheels turning Baby I know Big wheels turning Baby I know Big wheels turning, turning Turning, turning...

REPEAT CHORUS
