

# Electric Light Orchestra, Moment In Paradise

Oh, yeah

She never cried, she only tried  
To fly beyond her dreams  
No walls around her mind

Deep inside she'd try to hide  
That she was way beyond her means  
No borders and no lines

She said that it's your duty to save your soul  
To save it for someone  
Moment in paradise  
Just a moment in paradise  
Oh, yeah

Moment in paradise  
Just a moment in paradise  
Oh, yeah

She floated out upon the wind  
That blew my thoughts into the night  
She knew the things she had to know

She drifted high above my mind  
Blew my brains out, did alright  
I think she knew it all along

She said that it's your duty to save your soul  
To save it for someone  
Moment in paradise  
Just a moment in paradise  
Oh, yeah

Moment in paradise  
Just a moment in paradise  
Oh, yeah  
Oh, yeah, oh, yeah, oh, yeah

She said that it's your duty to save your soul  
To save it for someone  
Moment in paradise  
Just a moment in paradise  
Oh, yeah

Moment in paradise  
Moment in paradise  
Moment in paradise  
Moment in paradise  
Oh, yeah  
Moment in paradise  
Moment in paradise  
Just a moment in paradise
