

# Electric Light Orchestra, Suspended In Time

A child and a fool in one, so sure I could need no one  
My heart always on the run to nowhere  
Now as you're holding me, my heart is reminding me  
That now I could never be without you

Chorus:

But how can our love succeed, a miracle is what we need, and so I appeal to you  
To keep me suspended in time with you, don't let this moment die  
I get a feeling when I'm with you, none of the rules apply  
But I know for certain, goodbye is a crime  
So love if you need me, suspend me in time  
Wasted the time away, holding our love at bay  
Now I can't last a day without you  
Your smile is a thrill to see, eyes hold me tenderly  
They'll shine in my memory forever  
chorus - in time

---
