

# Electric Six, I Know Karate

I am the Terminator  
Love devastator  
I am the Terminator  
Love devastator  
I am the Terminator  
Love devastator  
I am the Terminator  
Love devastator  
and....

I know karate  
and I know how to get things done  
When the dust clears  
I'll be the only one standing

I am the Terminator  
Love devastator  
I am the Terminator  
Love devastator  
I am the Terminator  
Love devastator  
I am the Terminator  
Love devastator  
and...

I know your number  
and I know that you're all alone  
and I intend to keep calling  
and keep calling  
and keep calling  
huh!

I am the Terminator  
Love devastator  
I am the Terminator  
Love devastator  
I am the Terminator  
Love devastator  
I am the Terminator  
Love devastator
