

# Electric Six, I'm On Acid

Constellations on my mind  
Gonna take it in your sweet time  
I was thinking of the girl  
And she was floating over the world

And  
I want to touch you  
I want to feel you  
I want to be inside of you  
And  
I want to do everything to you I can

Cause I'm on acid  
I'm on acid tonight  
I'm on acid  
I'm on acid tonight  
I'm on acid  
I'm on acid tonight  
I'm on acid  
I'm on acid tonight  
Singin'

Yeah  
I'm on acid  
Tonight

Yeah  
I'm on acid  
Tonight

Constellations on my mind
