Element Of Crime, The Way She Is

Don't you say she's mad I'm sorry that she's spit in your eyes She shouldn't call you names But she don't like you, don't ask why It's just THE WAY SHE IS But I love her, I don't want another girl

Don't you call her bitch I sometimes do that but you better not After all I'm her friend And I will be that to the bitter end It's just THE WAY SHE IS But I love her, I don't want another girl

I know her better than you I know she's got a heart of gold I wouldn't say she's drunk now She's just a little out of control It's just THE WAY SHE IS But I love her, I don't want another girl
