

Elisa, Heaven Out Of Hell

So are you turning around your mind
do you think the sun won't shine this time
are you breathing only half of the air
are you giving only half of a chance
don't you wanna shake because you love
cry because you care
feel 'cause you're alive
sleep because you're tired
make heaven, heaven out of hell now ...
are you locked up in you counting the days
oh how long until you have your freedom
just shake because you love
cry because you care
feel 'cause you're alive
sleep because you're tired
shake because you love
bleed 'cause you got hurt
die because you lived
make heaven, heaven out of hell now ...
are you still turning around the same things
are you still trying that way
are you still praying the same prayers
are you still waiting for that same day to come
climbing the same mountain
you're not getting higher
you're running after yourself
can't let go
hiding in that place you don't wanna be
you push happiness so far away
but it comes back
to give you all that you've given before
to love you the way that you do, like a mirror
look in the air 'n catch that boomerang
can't fall anywhere else but in your own
and make heaven
heaven out of hell now
make heaven
heaven out of hell now...
make heaven heaven out of hell now
make heaven
heaven out of hell now
are you still waiting
make heaven
heaven out of hell now
are you still praying
make heaven
heaven out of hell now
are you still losing
make heaven
heaven out of hell now
make heaven
heaven out of hell now
I wanna fly because
I dream
dream
dream
