

# Ella Eyre, L.O.V. (e)

there's a ghost in my heartbeat  
and it knows my pain  
reminding me I should be cautious  
oh, yeah, yeah

but oh, how my heart aches  
to be whole again  
a feeling I can't be ignoring  
oh, yeah, yeah

it's a rollercoaster  
I swore I 'd never ride again  
but I think that I'd like to try  
think that I'd like to

I need that  
L-O /3x  
even though it runs from me  
say  
L-O /3x  
L-O-V-E  
i need that  
L-O /3x  
even though it's hard to keep  
say  
L-O /3x  
L-O-V-E  
i need that  
L-O /3x

there's a light in my shadow  
and it's blinding me  
reflecting the person I could be  
oh, yeah, yeah

and there's a voice in my nightmares  
and it disagrees  
saying it's not like the movies  
ohh, tyeah, yeah

it's a rollercoaster  
I swore I 'd never ride again  
but I think that I'd like to try  
think that I'd like to

I need that  
L-O /3x  
even though it runs from me  
say  
L-O /3x  
L-O-V-E  
i need that  
L-O /3x  
even though it's hard to keep  
say  
L-O /3x  
L-O-V-E  
i need that  
L-O /3x
