

# Elvis Costello, Peace In Our Time

Out of the aeroplane stepped Chamberlain with a condemned man's stare  
But we all cheered wildly, a photograph was taken,  
as he waved a piece of paper in the air  
Now the Disco Machine lives in Munich and we are all friends  
And I slip on my Italian dancing shoes as the evening descends

[Chorus:]

And the bells take their toll once again in victory chime  
And we can thank God that we've finally got  
Peace in our time

There's a man going round taking names no  
matter who you claim to be  
As innocent as babies, a mad dog with rabies,  
you're still a part of some conspiracy  
Meanwhile there's a light over the ocean  
burning brighter than the sun  
And a man sits alone in a bar and says "Oh God,  
what have we done?"

[Chorus]

They're lighting a bonfire upon every hilltop in the land  
Just another tiny island invaded when he's got  
the whole world in his hands  
And the Heavyweight Champion fights in the  
International Propaganda Star Wars  
There's already one spaceman in the White  
House what do you want another one for?

[Chorus]
