Elvis Presley, New Orleans

(Tepper - Bennett)

You'll never know What heaven means Until you've been down to New Orleans You ain't been livin' till you cuddle and coo With some black-eyed baby by de old bayou

You've never seen You've never seen those Cupid doll queens Like they got 'em in New Orleans And, ooh, they love you like no-one can It makes you awful glad that you were born a man.

If-if-if you ain't been there
Then you ain't been nowhere
The livin's lazy and the lovin's fine
If you feel low down
So help me Hannah
You should lose the blues in Loui-si-i-si-ana.

Get the lead
Get the lead out of your jeans
And hot foot it down, hot foot down to where?
New Orleans
Louisiana baby tells you stay awhile
Live it up, love it up, southern style
Way down in New New Orleans.
