

Embrace, Ashes

I've waited, and given the chance again,
I'd do it all the same, but either way
I'm always outplayed, up on your down days
I left it the right way, to start again
Now watch me rise up and leave
All the ashes you made out of me
When you said that we were wrong
Life goes on
Just look at how long I've agreed
Now watch me rise up and leave
All the ashes you made out of me
When you said that we were wrong
Life goes on
Just look at how long I've agreed
Out of place, like a gem on a coalface
Lost on the right way, it's all the same
'Cause I've had my hopes raised, riding the wrong waves
Scared when you felt safe to start again
Now watch me rise up and leave
All the ashes you made out of me
When you said that we were wrong
Life goes on
Just look at how wrong I could be
Now watch me rise up and leave
All the ashes you made out of me
When you said that we were wrong
Life goes on
You blew me away
Aaaaaaaaaaaaaaaaaaaaaay
Aaaaaaaaaaaaaaaaaaaaaay
Aaaaaaaaaaaaaaaaaaaaaay
Now watch me rise up and leave
All the ashes you made out of me
When you said that we were wrong
Life goes on
Just look at how wrong I could be
Now watch me rise up and leave
All the ashes you made out of me
When you said that we were wrong
Life goes on
You blew me away
Aaaaaaaaaaaaaaaaaaaaaay
Aaaaaaaaaaaaaaaaaaaaaay
Aaaaaaaaaaaaaaaaaaaaaay
I sink like a stone, I lost my control
I sink like a stone, I lost my control
I sink like a stone, I lost my control
