Emiliana Torrini, Ruby Tuesday

She would never say Where she came from Yesterday don't matter 'Cause it's gone

While the sun is bright Or in the darkest night No-one knows She comes and then she goes

Goodbye, ruby tuesday Who is gonna hang that name on you? And when you change with every new day Still I'm gonna miss you

Don't ask her why She needs to be free She is gonna tell you It's the only way to be

She just can't be chained To a life where nothing's gained And nothing's lost But, oh, such a cost

Goodbye, ruby tuesday Who is gonna hang that name on you? And when you change with every new day Still I'm gonna miss you

Oh, there's no time to lose I heard her say You gotta catch your dreams Before they run away

Dying all the time Lose your dreams and you Might lose your mind Is life unkind?

Goodbye, ruby tuesday Who is gonna hang that name on you? And when you change with every new day Still I'm gonna miss you

Goodbye, ruby tuesday Who is gonna hang that name on you? And when you change with every new day Still I'm gonna miss you

Goodbye, ruby tuesday ...
